

INTERNSHIP to join us as STUDENT EMPLOYEE (m/w/d)

About us:

Cusp Capital Partners (www.cuspcapital.com) is one of the leading Venture Capital investors in Germany with a focus on digital early- and growth stage companies. We combine research enthusiasm with investment experience to drive change in the digitally interconnected world. We are proud to have supported leading companies such as Zalando, Klarna and Delivery Hero as one of their first investors.

We are now seeking to expand our team with a part-time student employee (10 hours / week). He or she will contribute to Cusp Capital as a Werkstudent*in (minimum term of 9 months) upon successful completion of a 3-month paid full-time internship. While the student may work from home after the internship, we would prefer him or her to be present in our office on a regular basis.

Overview of responsibilities:

- Capture and process new investment opportunities, companies and contacts in our dealflow management tool
- Support our team on various research projects
- Draft written communication
- Assist in administrative functions

Qualifications:

- Active graduate-level university enrollment
- Fluent in German and English
- Excellent analytical, research and writing skills
- Self-driven work ethic and organizational talent
- Affinity to entrepreneurship and technology
- PLUS: Ability to execute on smaller technology & coding projects

Location:

- Essen, Germany

To apply please send us an email including a recent resume and some background on your past work and motivation to Johannes Behringer (jbehringer@cuspcapital.com).
